

As the renovation of Lawnhill Terrace Phase 2 continues, our general contractor, Viking Construction, is seeking to hire residents for a variety of positions.

Currently, Viking Construction is seeking to fill the following positions:

- HVAC – licensed journeyman and an apprentice needed (will require going to trade school)
- Electric – apprentice needed
- Demolition – general laborers needed
- General laborers needed for various trades

To apply for a position, please bring a copy of your resume highlighting your relevant experience to the Charter Oak Communities management office at 32-34 Custer St, Stamford CT.

Please note that this opportunity is only available to residents of Charter Oak Communities properties and Section 8 recipients.
